

Get Unwanted Meds Out...  
Of your homes  
Of our waters & landfills  
Of the reach of children!!

Keeping unused, unwanted and expired prescription and over-the-counter drugs in your home poses a risk to you, your family and your community.

To provide you with an anonymous, easy, secure and responsible way to properly dispose of these drugs, the City of Evansville Police Department has established a permanent pharmaceutical drug drop-off box for all Rock County residents.

## Drop-Off Procedures

Please follow these instructions for free disposal of your unwanted medications:

1. Gather all unwanted medications from where you have them stored.
2. If possible, leave all medications in their original containers. You may black out any personal information that is on the bottle.
3. Bring the medications to the secured drug collection box.
4. Questions about dropping off medications can be directed to the Evansville Police Department. Please call: (608)-882-2299

### Did You Know:

64% of kids age 12 to 17 who have abused pain relievers say they got them from their friends, relatives or people they know, without their knowledge.

You must contact an officer for assistance with these substances!

### No Sharps:

No Syringes  
No Needles  
No Lancets

## Safe Storage and Safety Tips

**Always** store medications in the original containers.

**Never** keep medications past their expiration date.

**Always** store separately medications for family members.

**Never** guess on how much medication to take.

**Read** the label before you open the bottle to ensure the right dosage is taken.

**Never** let young children take medicine by themselves.

**Don't** store medications in areas that are hot and humid, such as the bathroom medicine cabinet.

**Lock** your medicine cabinet. A cabinet or a drawer with a lock on it would also work.

**Do** talk with your children about the dangers of drug abuse!
